

SYSTEM OVERVIEW

ecolean

AT THE PRODUCER OF LIQUID FOOD

KEEPING IT SIMPLE

The Ecolean manufacturing process, from start to finish, follow our philosophy of keeping it simple.

Ensuring you reliable and cost-effective filling machines, lean operation and unique lightweight packaging, standing out on the store shelf.

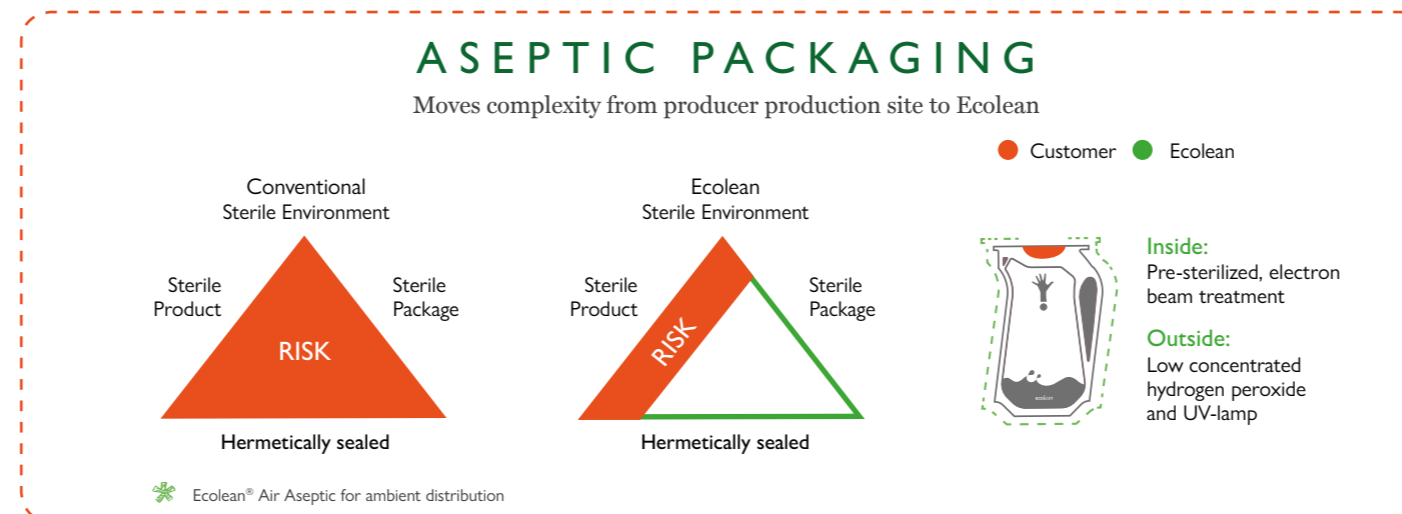

AT ECOLEAN MANUFACTURING SITE

WELCOME TO A LIGHTER WORLD

Ecolean develops and manufactures innovative packaging systems for the liquid food industry.

We're a fast-growing innovator and producer of lightweight packages serving well over 30 countries with a new, proactive way of doing business.

ecolean
a lighter approach to packaging
